

4K UHD Exquisite Picture Quality

Mini HDMI to HDMI cable

4K@60Hz	Bi-Directional	Wide	Triple Layer
UHD Resolution	Transmission	Compatibility	Shielding

4K@60Hz UHD Resolution

HDMI 2.0 cable supports 4K@60Hz video resolution and faster refresh rates.

Universal Compatibility

From a Mini HDMI compatible device to a large display with a HDMI port.

Applications

**Connect a
Camera to a Video
Capture Card**

Live streaming

**Connect a
mainframe
to a Monitor**

Optimized for both
work and play

**Connect a Gaming
Console to a
Portable Monitor**

Gaming ready

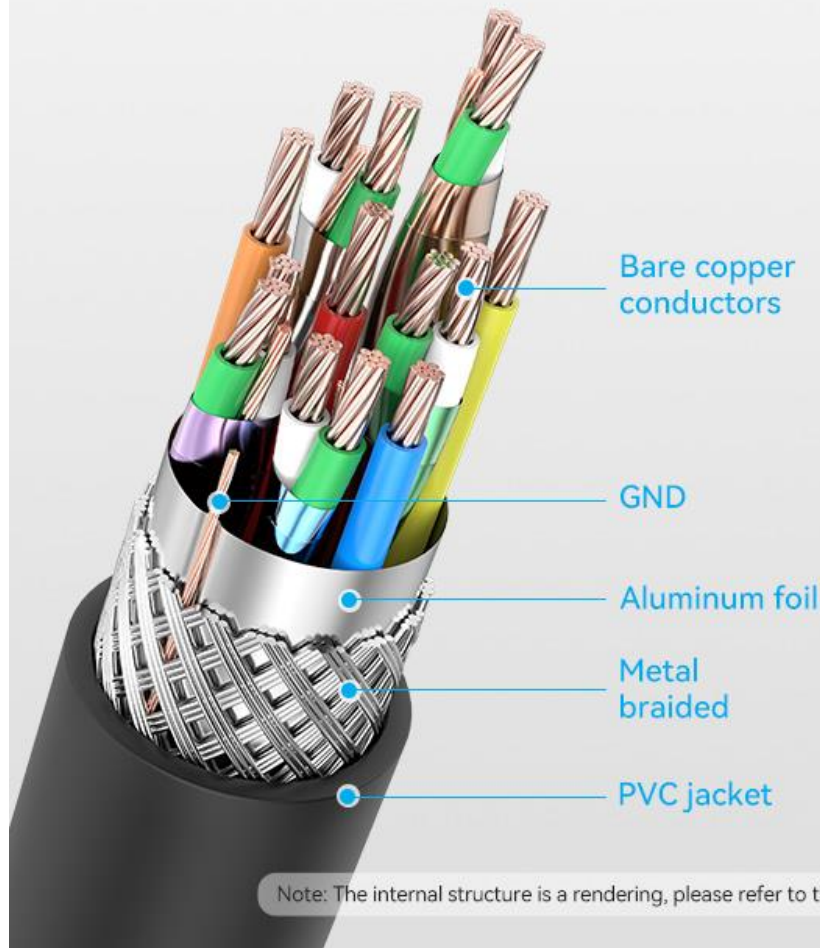

**Connect a
Raspberry Pi
to a Monitor**

Unique portable
monitor

Top-Notch Build Quality

Bare copper conductors and triple layer shielding design of aluminum foil+metal braided+GND effectively protect against EMI interference and ensures a stable video transmission.

Durable Gold-Plated Connector

Gold-plated connectors for best performance, provide corrosion protection and ensure smooth and stable signal transmission.

Flexible & Durable

Eco-friendly PVC layer features flexible durable and ensures long service life.

Multiple Modes

Mirror mode

Displays the same picture. Enjoy videos and games on a larger screen.

Extend mode

Displays different pictures. Perfect for working or home entertainment.
