Gamepad

More Convenient for Office Work

Transfer USB-C to USB-A for Laptop

Laptop and
hard disk
connection

Laptop and
USB splitter
connection

Laptop and
mouse
connection

1GB File within 3 Seconds

USB3.0 interface, 5Gbps theoretical transfer speed

5Gbps

USB 2.0 ————— 480Mbps
USB 3.0 ————— 5Gbps

3A High Current

Solving mismatched problem, charging
anytime and anywhere

No Latency in Movie

Internal 10nf capacitors and 5.1k pull-down resistors to ensure stable transmission

10nf capacitors

Meticulous Design, Exquisite Quality

Aluminum alloy material

Good heat dissipation,
no paint loss

Nickel-plated connector

Durable swapping,
anti-rust

Lanyard

Loss-prevention
and portable

Aluminum Alloy
