Strong PC fire protection case, high security level
in fire-retardance

Fire-
retardance

High temperature
durability

Anti-
pressure

Tiny And Portable

Perfect companion for travelling

FAQ

Q

Can this charger use for iPad Pro?

A

Yes, USB-C port support up to PD 20W power supply.

Q

Is it normal that the power will be suddenly shut down and then resume when I plug another device into charger when there is already one device in use?

A

Yes, it's normal. The charger needs to reallocate power supply when the new device is plugged for safety charging consideration
