

Building a Fully Connected, Intelligent World

HUAWEI IdeaHub B2

New Style Smart Office

HD Cloud Meetings | Intelligent Whiteboard | Enterprise-Class Security

HUAWEI IdeaHub B2

HUAWEI IdeaHub B2 is the next-generation intelligent meeting panel that delivers HD cloud conferencing. With dual Wi-Fi design and an optical anti-blue light feature, it offers an upgraded projection and writing experience perfect for multiple office environments, including meeting rooms, manager offices, and open office areas.

All-in-One Collaboration Endpoint

Collaboration endpoint that integrates multiple functions

4K soft light screen, for eye comfort over long periods

- Professional-grade 4K camera, delivering crystal-clear dynamic images
- Sound pickup within 10m, ensuring clear voice reception from remote locations
- 550 cm3 large speaker, providing 3D stereo sound
-

Smart Office

Compatibility with mainstream cloud meeting systems

Native Huawei Cloud Meeting on the Android system, displaying 1080p HD visuals through a simple QR code scan

- Extension of Windows*, allowing for easy connection to mainstream cloud meetings
-

Note:

AnOPSiS needed for extending Windows. This enables users to switch seamlessly between Android and Windows operating systems.

Projection based on dual Wi-Fi modules

Dual-band and dual-Wi-Fi design, ensuring stable projection

- Reverse control of input devices on the IdeaHub, supporting PPT slideshows and commenting
- Multiple projection modes, simplifying projection and sharing between different systems
-

Smart Office

Intelligent whiteboard, making writing feel natural

25 ms writing latency, streamlining discussion and collaboration

- Accurate identification of text and graphics, converting handwriting into Standard Text within one second
- Whiteboard content and annotation saving via a QR code

Security O&M

Comprehensive, intelligent O&M

Remote management of multiple IdeaHubs, with features such as batch configuration, upgrade, and advertisement push

Quick fault rectification, alarms, and automatic diagnosis

Enterprise-level information security

Cloud-pipe-device-chip full-link protection, safeguarding enterprise information assets

All-Scenario Smart Office Ecosystem

Regular meeting room

Local workshop, remote meeting, and business meeting

Executive office

Remote interview, employee debriefing, and CXO business meetings

Open working area

Informal meeting, instant discussion, and team-building meeting

Multi-purpose training room

Group discussion, employee development, simulation training, and live training

Exhibition and demonstration

Corporate culture display, welcome board, and activity promotions

Study room

Remote working and hybrid learning
