

4-Core Telephone Cable

For engineering or home cabling

Pure copper
conductor

Support
telephone/fax

Anti-aging
More durable

100m tailoring
suitable

Deliver Original Audio

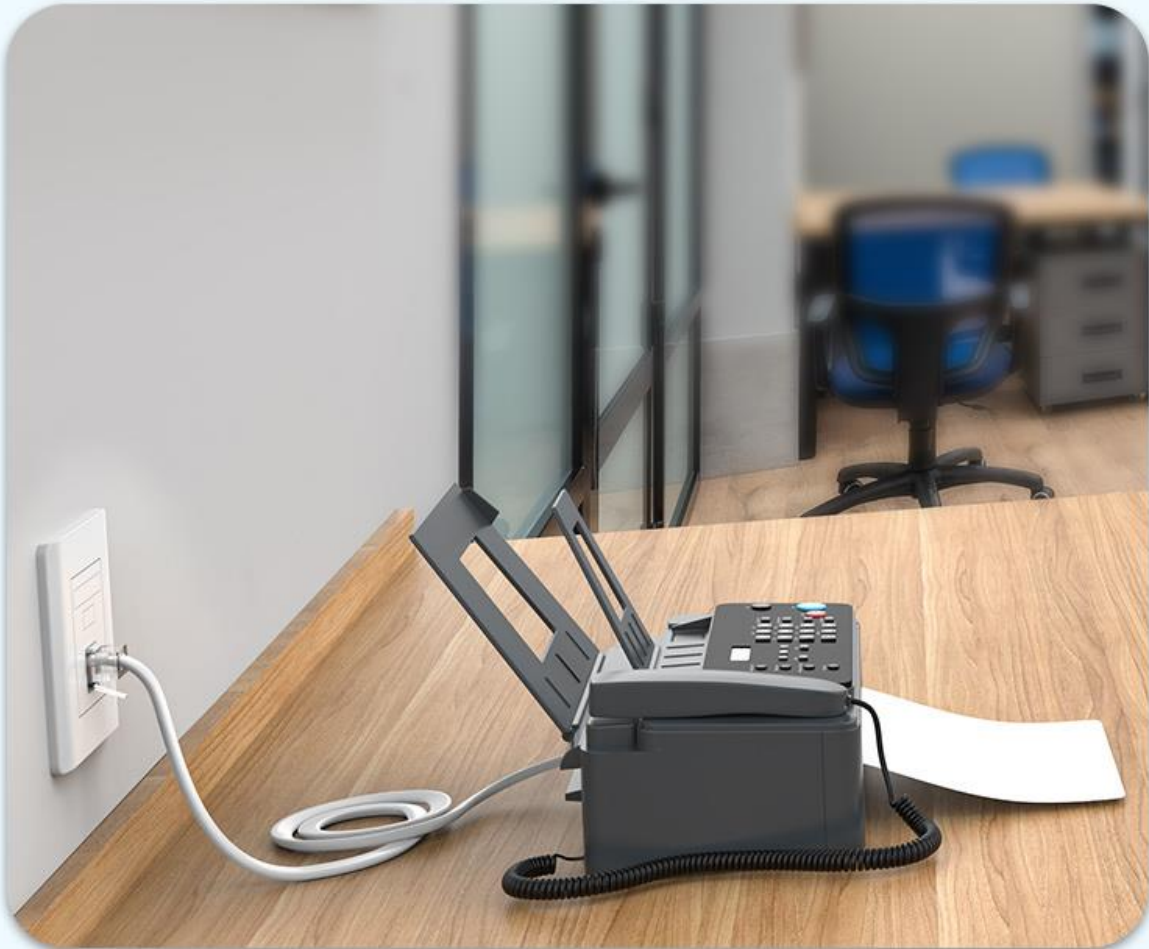

With compatible 6P4C plug, for stable signal transmission

Note: 6P4C modular plug is not included in this product,
please make the purchase separately

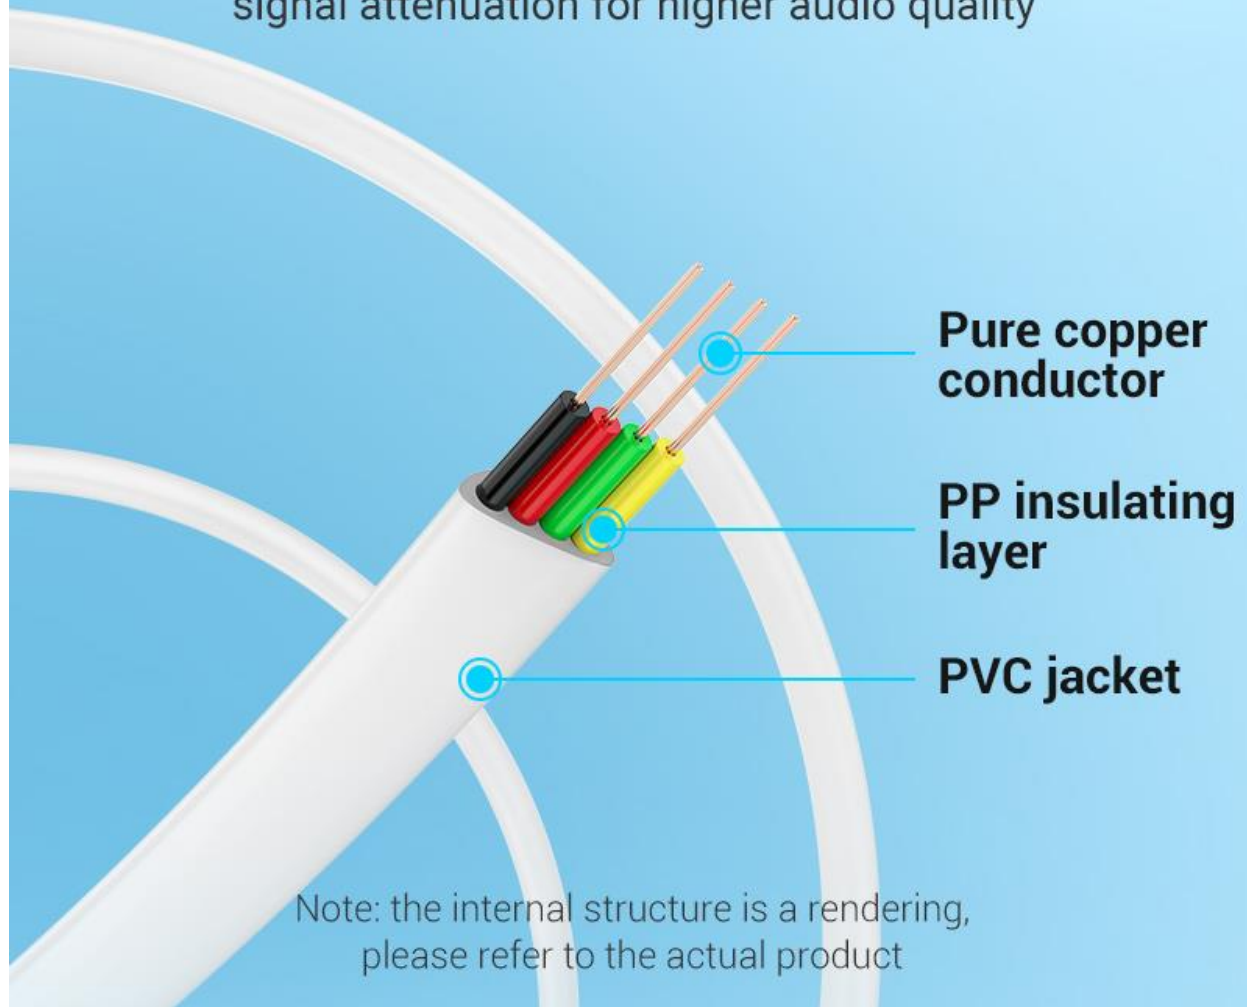

Fax Machine Supported

For high efficient office work

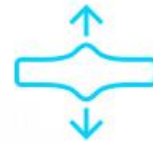

Premium Material

Pure copper conductor with low resistance and signal attenuation for higher audio quality

Flexible and Tough Cable Jacket

PVC jacket with mutiple merits for longer using time

Anti-stretch

Wear resistance

Longer service time

Clear Meter Demonstration

Cable jacket indicates distance for convenient tailoring

For Engineering Cabling

Suitable for structural cabling for office and home

Optimal for Various Devices

Suitable for structural cabling for office and home

Telephone

Telephone
wall plate

Fax
machine

ADLS
optical modem
