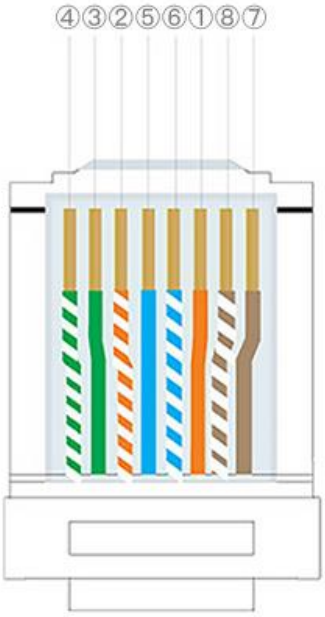
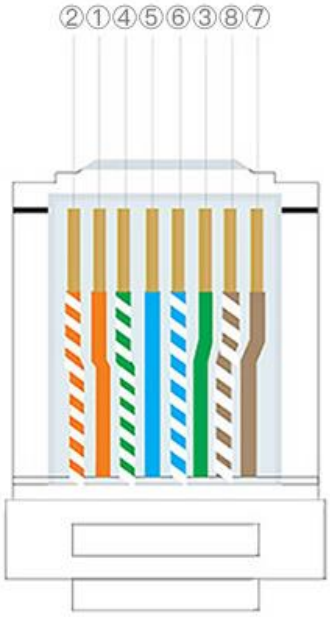
④③②⑤⑥①⑧⑦



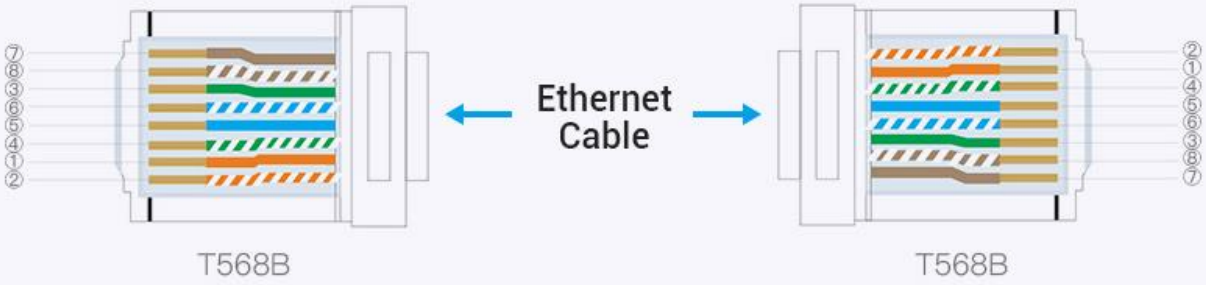
T568B

②①④⑤⑥③⑧⑦



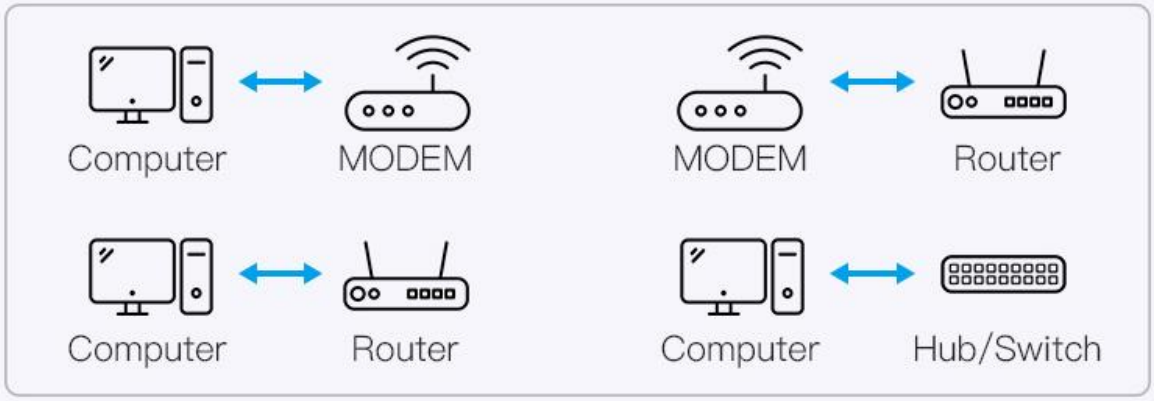
Connection method

① Straight-through cable

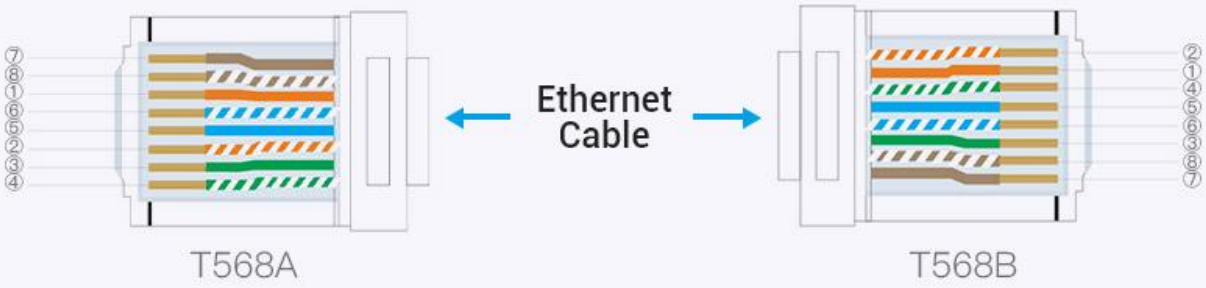


T568B T568B

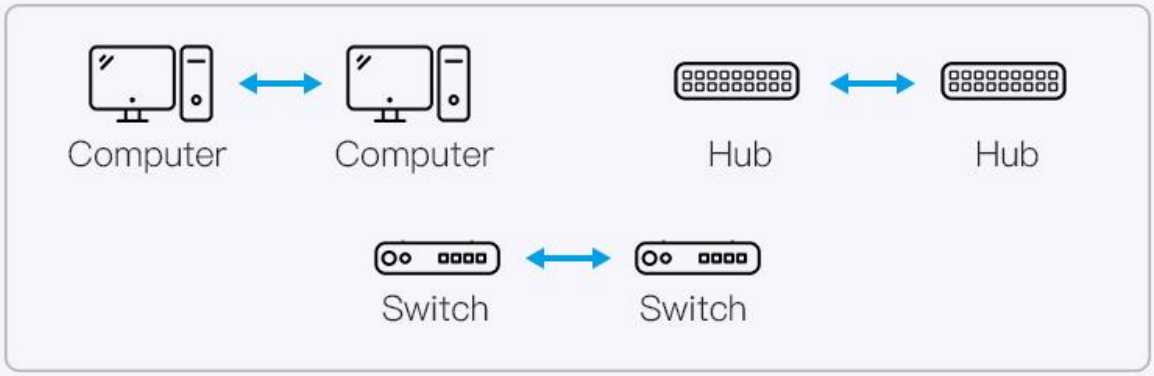
Applicable connection occasions



② Crossover cable

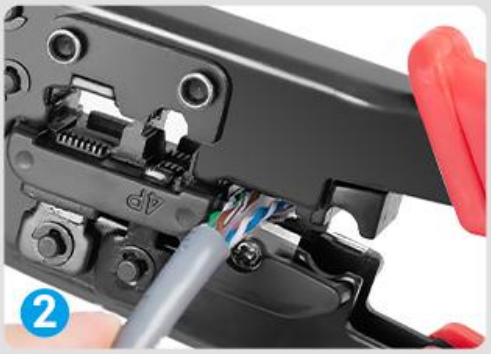


Applicable connection occasions



Crimping Tutorial

Put the cable into the hemispherical stripping port to peel off the jacket of the network cable.



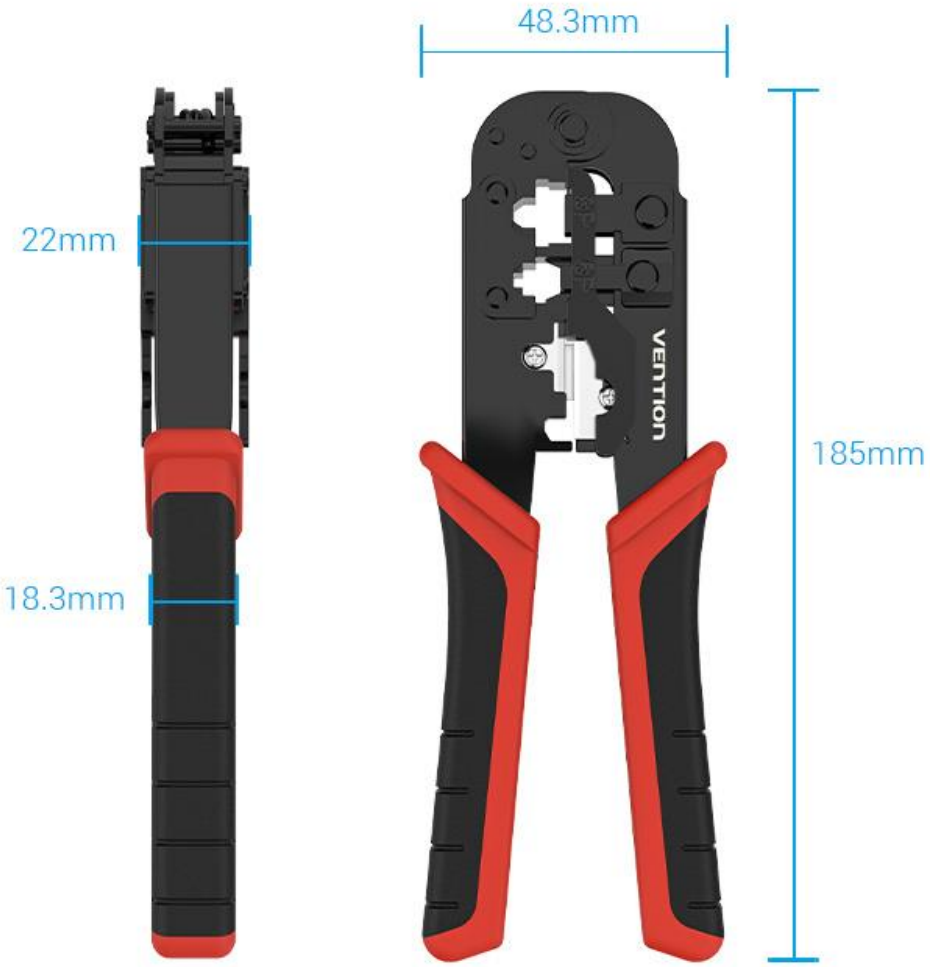
Confirm the 568A / B connection method and the order of the cable, bury the network cable flat, and reserve a suitable length (15mm is recommended).

Insert the network cable into the top of the RJ45 plug and put it into the corresponding jaw. Clamping network cable pliers is completed

Connect the finished network cable to the tester, 1-8 lights up in sequence to indicate normal use.

Product Parameters

Brand: Vention
Name: Multi-Function Cable Crimping Tool
Model: KEDB0
Color: Red+Black
Body Material: High Carbon Steel
Pressing Specifications: 4P / 6P / 8P
Warranty: 1 Year
Packing: Color Box



Note:All data are from Vention Lab.
Sizes above are manually measured.There might be slight tolerance.
